Smart Plug On/Off

SPR-01

Smart Plug On/Off is placed in the electrical outlet to turn lighting or other equipment on and off. Control the smart plug wirelessly through other products from Plejd or directly with the app via Bluetooth®. It can also be controlled through integrations with third-party services, such as Google Home, for which a Plejd Gateway is required.

On/off function, not dimmable.

Technical data

Mains electricity	230 V/50 Hz
Standby power	0.3 W
Operating temperature	0 to +35 °C, indoors
Max. load	16 A
IP rating	IP20
Protection	Overtemperature protection
Dimensions	66x43 mm

Radio

2.4 GHz mesh Bluetooth® <10 dBm	Radio range: Approx. 10 m indoors. The Plejd mesh technology extends the range by allowing the units to communicate with each other.
