P-SCREW S

PRODUCT DESCRIPTION

- PH recess
- Bugle head
- Double riffled thread
- S point
- Phosphated

PRODUCT PROMISE

Drywall screw for fixing drywall on 0,6 mm steel profiles

FEATURES AND BENEFITS

- Bugle head countersinks the screw into the board and pulls the paper downwards without breaking it
- PH recess for good directional stability
- Fine double thread for quick fastening directly into the steel profile
- S point is self-drilling in thin metal
- CE certified
- For indoor use

APPROVALS

APPLICATIONS

- Standard drywall boards onto steelprofiles 0,6 mm
