Product Information

Mini surface mount box 2xRJ45 module, keystone, white

Card No.: PI_11330572_01.21

Application

BKT mini surface box is designed to build subscriber outlets in the surface-mounted version. The box can be mounted to the surface with double-sided tape or screws. Both added to the set.
The box is available for 2 keystone modules with one port blinded. Thanks to this, can be used as a solution for 2 or 1 keystone modules.

Features

- Installation up to two modules in the keystone standard
- Allows installation of RJ45 keystone modules of most manufacturers available on the market
- Easy keystone instalation inside the box
- Cable fastening with a cable tie
- Ease of installation (adhesive tape or screws)
- Product delivered with one blinder inserted in one port
- Size (W x H x D): 50 x 30 x 50 mm
- Colour: white RAL 9010

Standards

- RoHS 2011/65/EU

RoHS COMPLIANT
