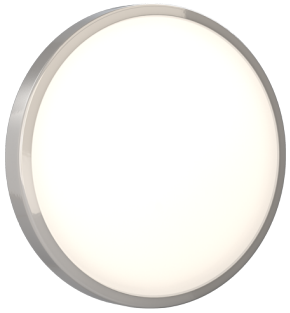
# Gamma Mini Bezel Accessory

Gamma Mini Satin Chrome Bezel Accessory

**Code:** AGAMMI/1/BZ/SC



## PRODUCT FEATURES

- Satin chrome bezel accessory for the Gamma Mini downlight
- CCT selectable between 3000K, 4000K and 5000K and power selectable; offering a choice of 2 outputs, in one luminaire
- Innovative hinged hatch compartment allows quick access to adjust microwave and emergency option settings
- Satin Chrome and Black trim bezel accessories available
- High efficiency up to 120lm/W
- Centralised loop-in, loop-out terminals with push button release feature ensures a quick and easy installation
- Additional profile channeling runs parallel to cable glands, allowing easy installation for applications where the cable runs across the ceiling
- /MWS and /MWS/M3 versions operate as "Primary" and can be used in conjunction with standard "Secondary"
