Kraftform Kompakt VDE 65 iS Take it easy SB, PZ 1 x 157 mm

Kraftform Kompakt VDE

EAN:	4013288229212	**Size:**	230x60x14 mm
Part number:	05006566001	**Weight:**	38 g
Article number:	Kraftform Kompakt VDE 65 iS TiE SB	**Country of origin:**	CZ
		Customs tariff number:	82054000

- Kraftform Kompakt VDE interchangeable blade suitable for Pozidriv screws
- Reduced shaft diameter and integrated insulation protection
- Insulated, individually tested as per IEC 60900
- 9 mm hex drive with with entry chamfer
- The Wera Black Point tip offers an exact fit and optimum corrosion protection
- Take it easy toolfinder: colour coding by profile and laser-engraved size indication
- Hexagonal anti-roll feature against rolling away

VDE blade for the Kraftform Kompakt handle/interchangeable blade system. Lightning-fast blade changes without special tools. Individually tested at 10,000 V for safe working at the approved voltage of 1,000 V. Reduced blade diameter with integrated protective insulation, low-lying screw and spring elements can be easily reached and operated. The Wera Black Point tip offers fitting accuracy and optimised corrosion protection. With Take it easy toolfinder: colour coding by profile and laser-engraved size indication. The hexagon anti-roll protection avoids blades from rolling away unintentionally.

Individually tested

Our screwdrivers are tested for dielectric strength under a 10,000 volt load to make sure that their most important property, their insulation, has been exhaustively tested. Each individual Wera VDE screwdriver is subjected to this test to guarantee safe working up to 1,000 volts.

Kraftform Kompakt VDE blades

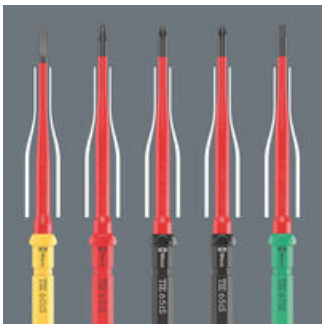

The 157 mm length blades are suitable for Wera Kraftform bitholding screwdrivers 7400 VDE, 837 i RA, 827 T i and 817 VDE.

The handle/blade system – Kraftform Kompakt VDE

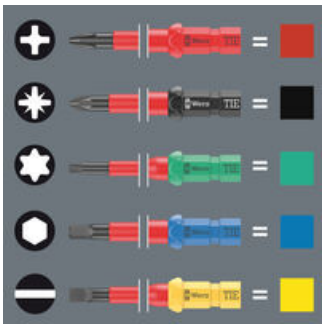

The handle/interchangeable blade system allows rapid exchange of the blades required for a wide range of applications.

VDE interchangeable blade with reduced shaft diameter

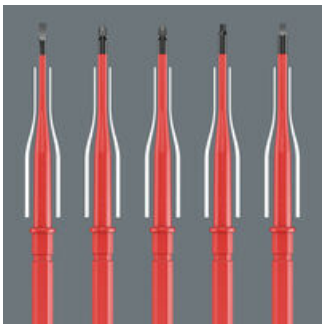

Reduced blade diameter with integrated protective insulation, allows sunken screws and spring elements to be accessed and actuated, individually tested as per IEC 60900.

Take it easy

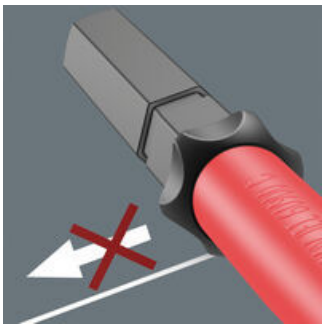

The Kraftform Kompakt VDE blades are equipped with the Take it easy toolfinder. Colour coding by profile and laser-engraved size indication make it easy to identify the required tool quickly.

VDE interchangeable blade with reduced shaft diameter

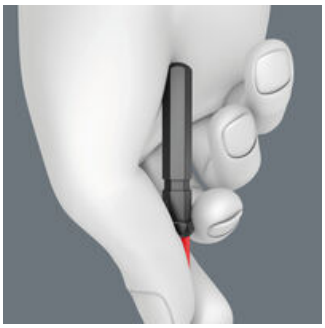

Reduced blade diameter with integrated protective insulation, allows sunken screws and spring elements to be accessed and actuated, individually tested as per IEC 60900.

Hexagonal anti-roll feature against rolling away

The Kraftform Kompakt blades come with an anti-roll protection. The hexagonal shape hinders the blade from rolling away annoyingly at the workplace.

Fast turning

The palm of your hand is comfortably supported on the rounded shape of the rear end of the blades. This allows quick spinning of the blade and accelerates the screwdriving process.
