KNIPEX ComStrip

Automatic insulation stripper

- Perfect entry-level model: Strips solid, multi-stranded and finely stranded conductors from 0.2 to 6 mm² with standard insulation without any need for manual adjustment
- Fine adjustment enables precise setting of the cutting depth for special materials or temperature conditions
- With cable cutter for solid conductors up to 2.5 mm², extended cutting capacity for finely stranded conductors up to 6 mm²

- With adjustable length stop from 6 to 18 mm for consistently accurate stripping lengths
- Compact and handy tool with slim head for use in hard-to-reach work areas
- Low-effort work and maximum transmission of force thanks to ergonomic two-component handle with soft grip zone
- Robust and lightweight thanks to tool body made of glass fibre reinforced plastic
- Durable blades, can be replaced when worn

General	
Part No.	12 62 180
EAN	4003773054573
Weight	151 g
Dimensions	165 x 135 x 25 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

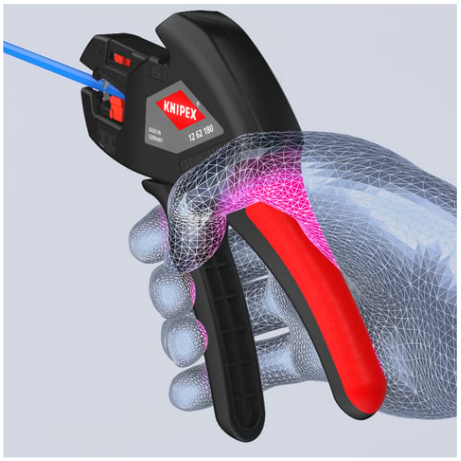

Technical changes and errors excepted

KNIPEX Quality – Made in Germany
