KNIPEX STX60

Stripping Tool

- Quick stripping of cable sheaths from Ø 30 to 60 mm made of PVC, rubber or PUR by circumferential and longitudinal cuts
- Single-handed quick adjustment enables the cutting blade to slide to any cable diameter from 30 to 60 mm with a single press of the thumb
- Precision blade with adjustable cutting depth up to 6.5 mm for precise cutting results; even with tough insulation such as rubber hose cables (H07RN-F)

- Completely retractable blade – protected during storage and transport
- Two mechanisms for longitudinal cut: manually with blue fold-out pulling aid or with mechanical ratchet for effortless feed (ratchet not included)
- Efficient and time-saving compared to conventional tools
- Movable guide rollers for easier, precise longitudinal and circumferential cuts
- Robust housing made of high-quality die-cast aluminium and innovative design for a long service life
- Versatile – ideal for industrial, PV and wind power plants, shipbuilding and mobile power supply
- Two spare blades stored in the handle – always at hand for uninterrupted work

General	
Part No.	16 45 220
EAN	4003773093060
Weight	600 g
Dimensions	225 x 90 x 78 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

Technical changes and errors excepted
